We left the ~~car~~ church at 5:00 pm. Along the way we stopped by Wendy's. We got here at 8:10 and got a cabin to sleep in. Mr. Tom had to sleep in anther site because we didn't have enough tents for him to have one.

Today on Saturday we rowed 17 miles. We stopped at blue rock to eat lunch. We had hot dogs. Johnnie and Mrs. McKinney were the first ones to swamp. We ~~was~~ swang right before the old bridge. We had to stop sometimes to wait on the people in the back so we pull our boats on shore and swam. For dinner we had barbecue chicken and french fries. George Barrett came for dinner but didn't camp. For dessert we had some blueberry cobbler and it was awesome. We also had ice cream.

This morning, Sunday, we had oatmeal for breakfast. Then we went canoeing for 13 miles. During the way it started thundering and lighting so we had to pull up on shore and stand on someone's porch who wasn't home. The next few miles were long but when we were done we got a cool patch.
